Professional Development Credits

Professional development credits are available for this conference for professional engineers, landscape architects and professional land surveyors. The agenda notes which presentations are approved for each profession's credits.

Participants are eligible to receive one professional development hour per session attended. To receive credit for your attendance, make sure to register and then sign in at each session attended.

NYSDOT EMPLOYEES

NYSDOT employees are eligible to use Professional Leave and PEF members receive reimbursement from GOER. MC is also eligible for reimbursement through GOER

New York State Association of Transportation Engineers

The New York State Association of Transportation Engineers (NYSATE) is dedicated to enhancing the professionalism of our members through continuing education, networking opportunities, and community outreach and support.

NYSATE exists primarily for the benefit of the membership, and will only continue to succeed with the backing of the membership.

Remember:
THIS IS YOUR ORGANIZATION - PARTICIPATE!

Intelligent Transportation Society of New York

ITS-NY is comprised of ITS-NY Member Organizations, and provides: 1) ITS education and outreach to foster the understanding of ITS applications and technologies. 2) A forum for ITS interaction, discussion, and professional networking; and 3) Regularly scheduled and special meetings, conferences, and technical programs; and participation in national ITS events and forums.
